

## Beach Wedding or Reception

The staff at the Ocean Front Motel will endeavour to make this special occasion as memorable as possible for the happy couple and their guests. Situated on a cliff face above the pristine rock pools and beautiful Entrance Beach, the Oceanfront Motel offers 31 four-star rooms with most featuring uninterrupted ocean views. This is the ideal location for a beach wedding with stunning sunrise and sunsets helping to create a relaxed mood. There are also plenty of things to occupy guests' children as we are on the beach.

We offer 31 rooms with stunning views over the Pacific Ocean, most with private balconies. All rooms are air-conditioned, have large flat screen TV's with DVDs, free Wi-Fi, ten Foxtel channels and are well appointed clean and.

The award winning Restaurant is the perfect venue for a reception. Tailored menus are available together with drink packages.

We offer wedding guests special accommodation rates to encourage them to make the most of this special occasion. We also offer free use of our new outdoor entertainment area as well as to our conference room to enable guests to mingle and enjoy the occasion.
